

# On-Ramps into Academia

Coming in  
Spring 2011!

[www.engr.washington.edu/onramp/](http://www.engr.washington.edu/onramp/)  
[advcic@uw.edu](mailto:advcic@uw.edu)

An annual workshop for Ph.D. -level women scientists and engineers working in industry and interested in transitioning to academic faculty positions. Come network and hear from women who have made the transition. *Registration is free.*

## SAMPLE ON-RAMPS WORKSHOP TOPICS

-  Why academia is a rewarding place to work
-  How to apply for academic jobs from industry
-  Getting your teaching started efficiently
-  Securing external funding
-  Leveraging your industrial position to bring funding to your academic program
-  Working with graduate and undergraduate students
-  Balancing life and work

Read our *press release*, find resources, and learn about our upcoming workshop by visiting our website at <http://www.engr.washington.edu/onramp/>
